P.S. Thanks for the Geom. help.

Bonnie,
You are one of the sweetest girls I know. Please stay this way and don't ever change. We've had plenty of laughs this semester & I hope we'll be able to have more in the future. Best of luck always.

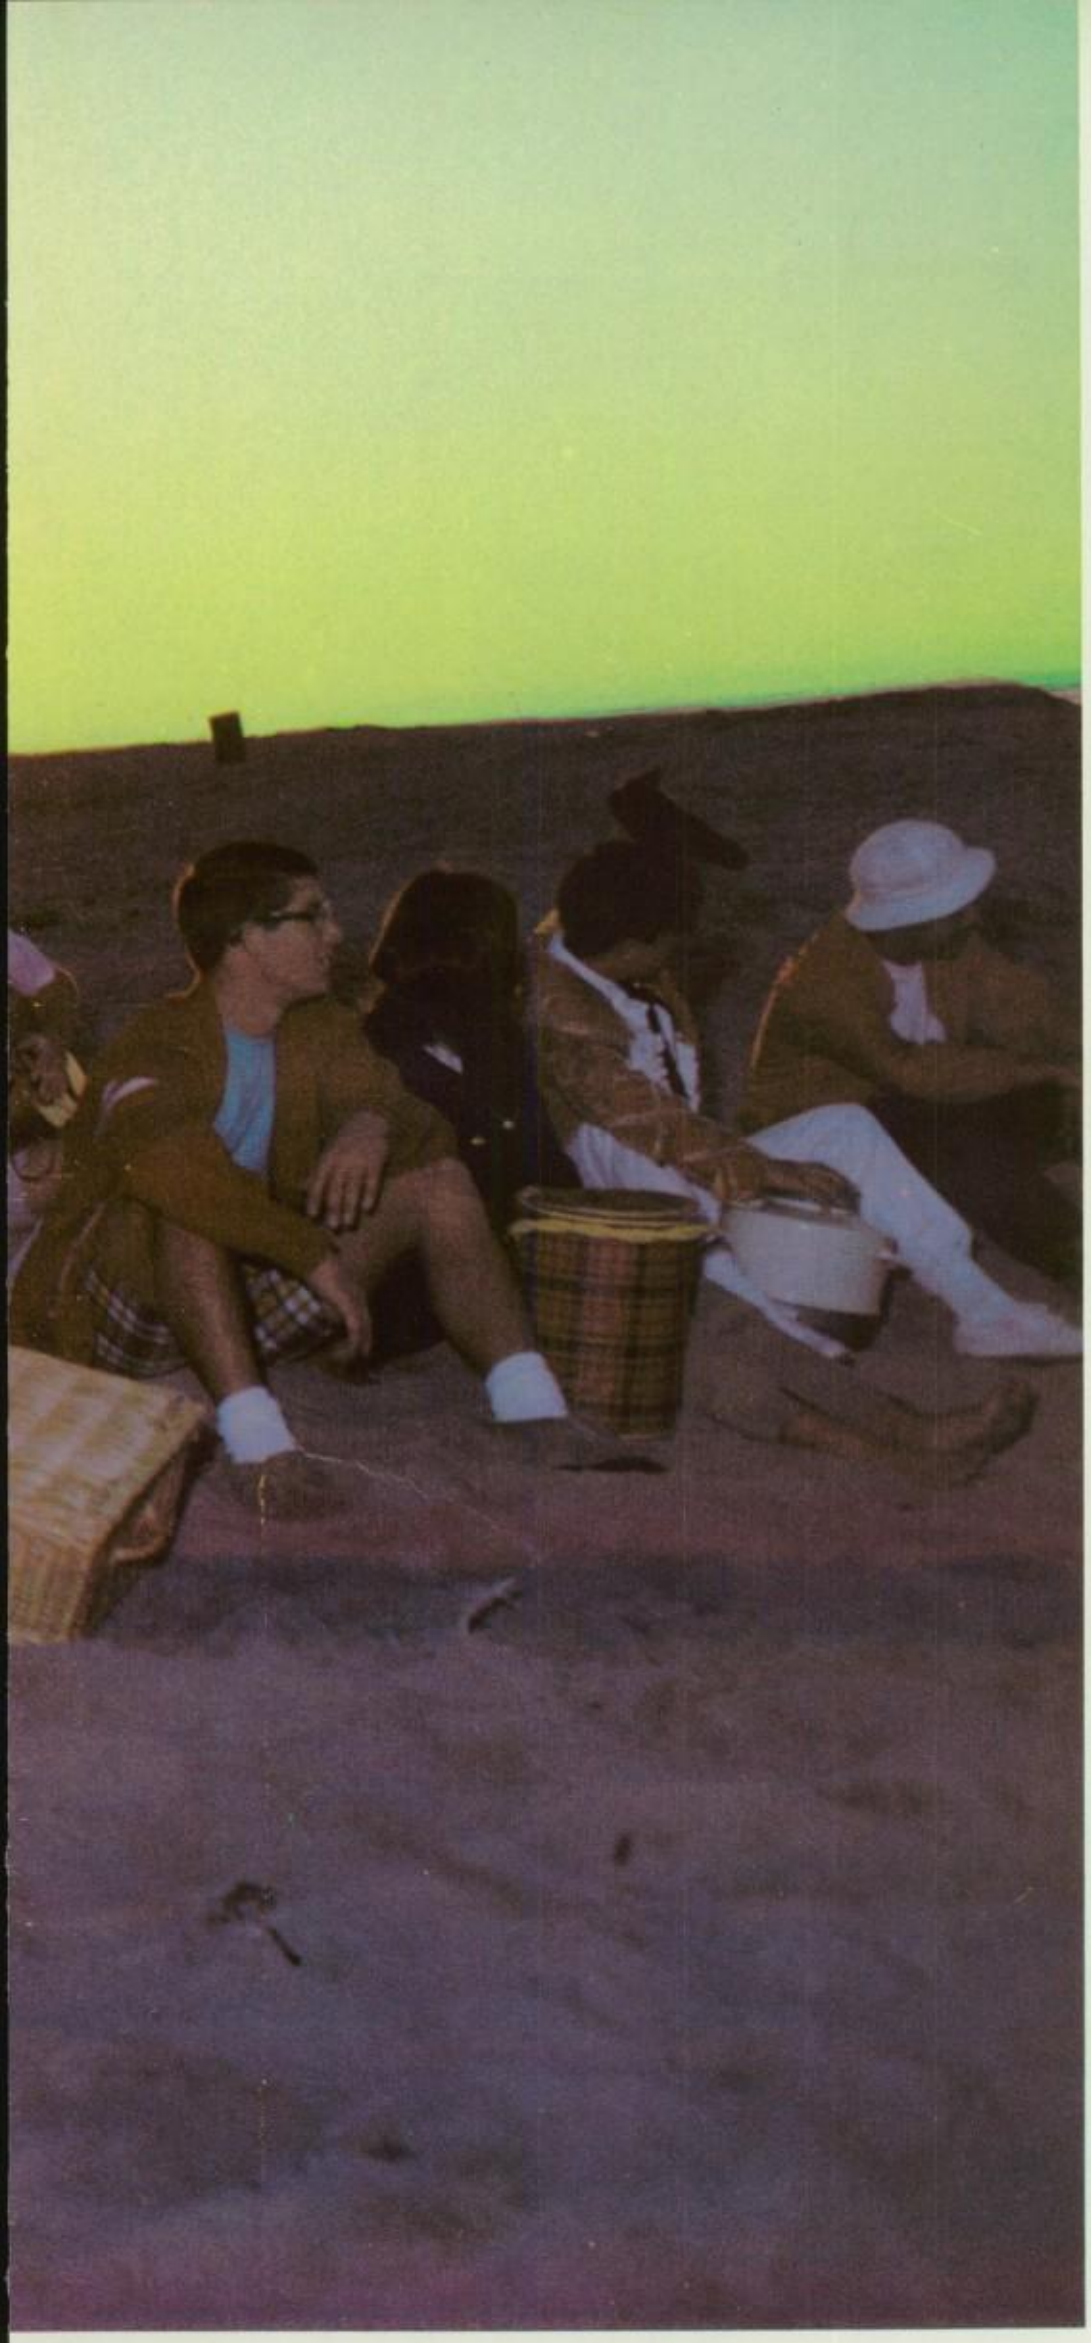
Children Of The Sun

25—

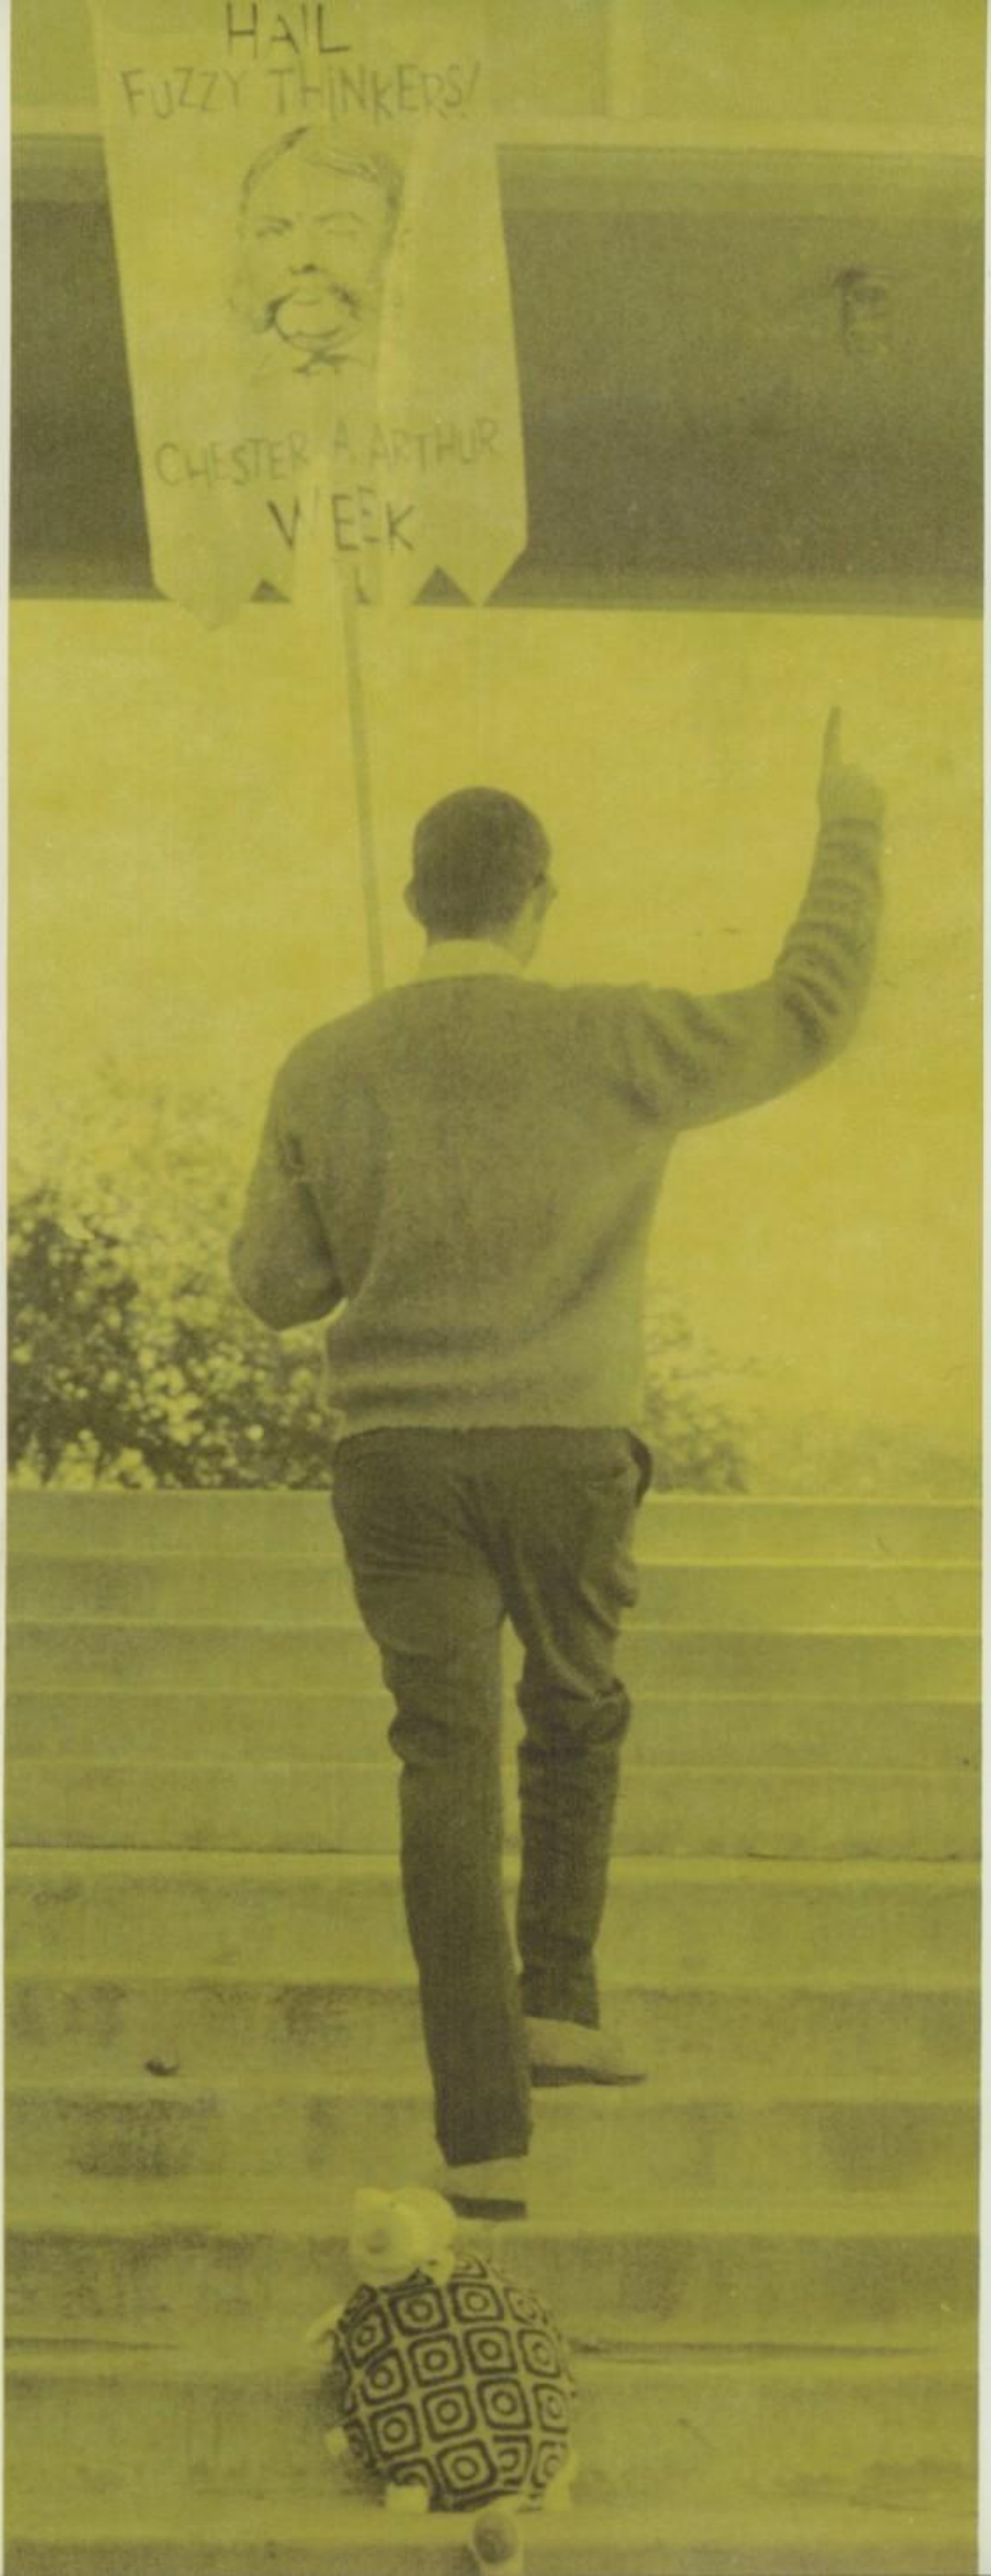
aTinian 67

William Howard Taft High School
Woodland Hills, California
June, 1967

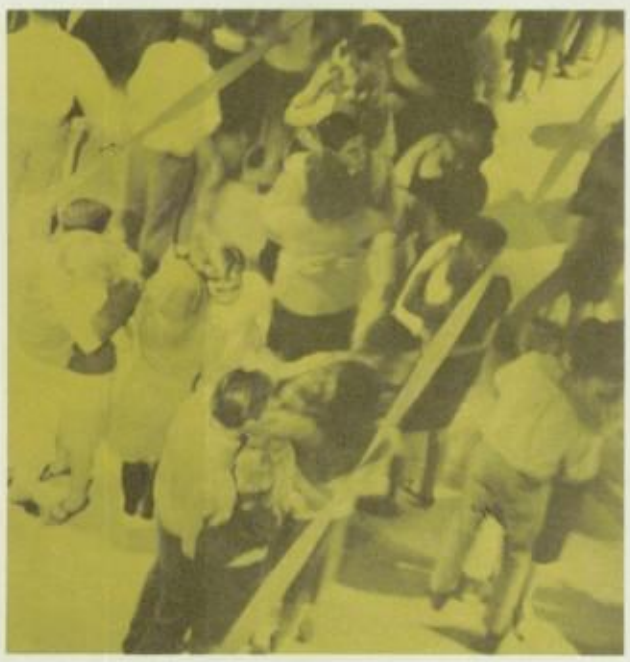
a ray of light . . .



we live for the sun
the scaling waters
the coarse soft sand
water babies
and
surfer boys
we live for today
every guy
every girl
congregating
having fun
walking, talking
togetherness,
and . . .
we live for
tomorrow
when we will
no longer be . . .
children of the sun

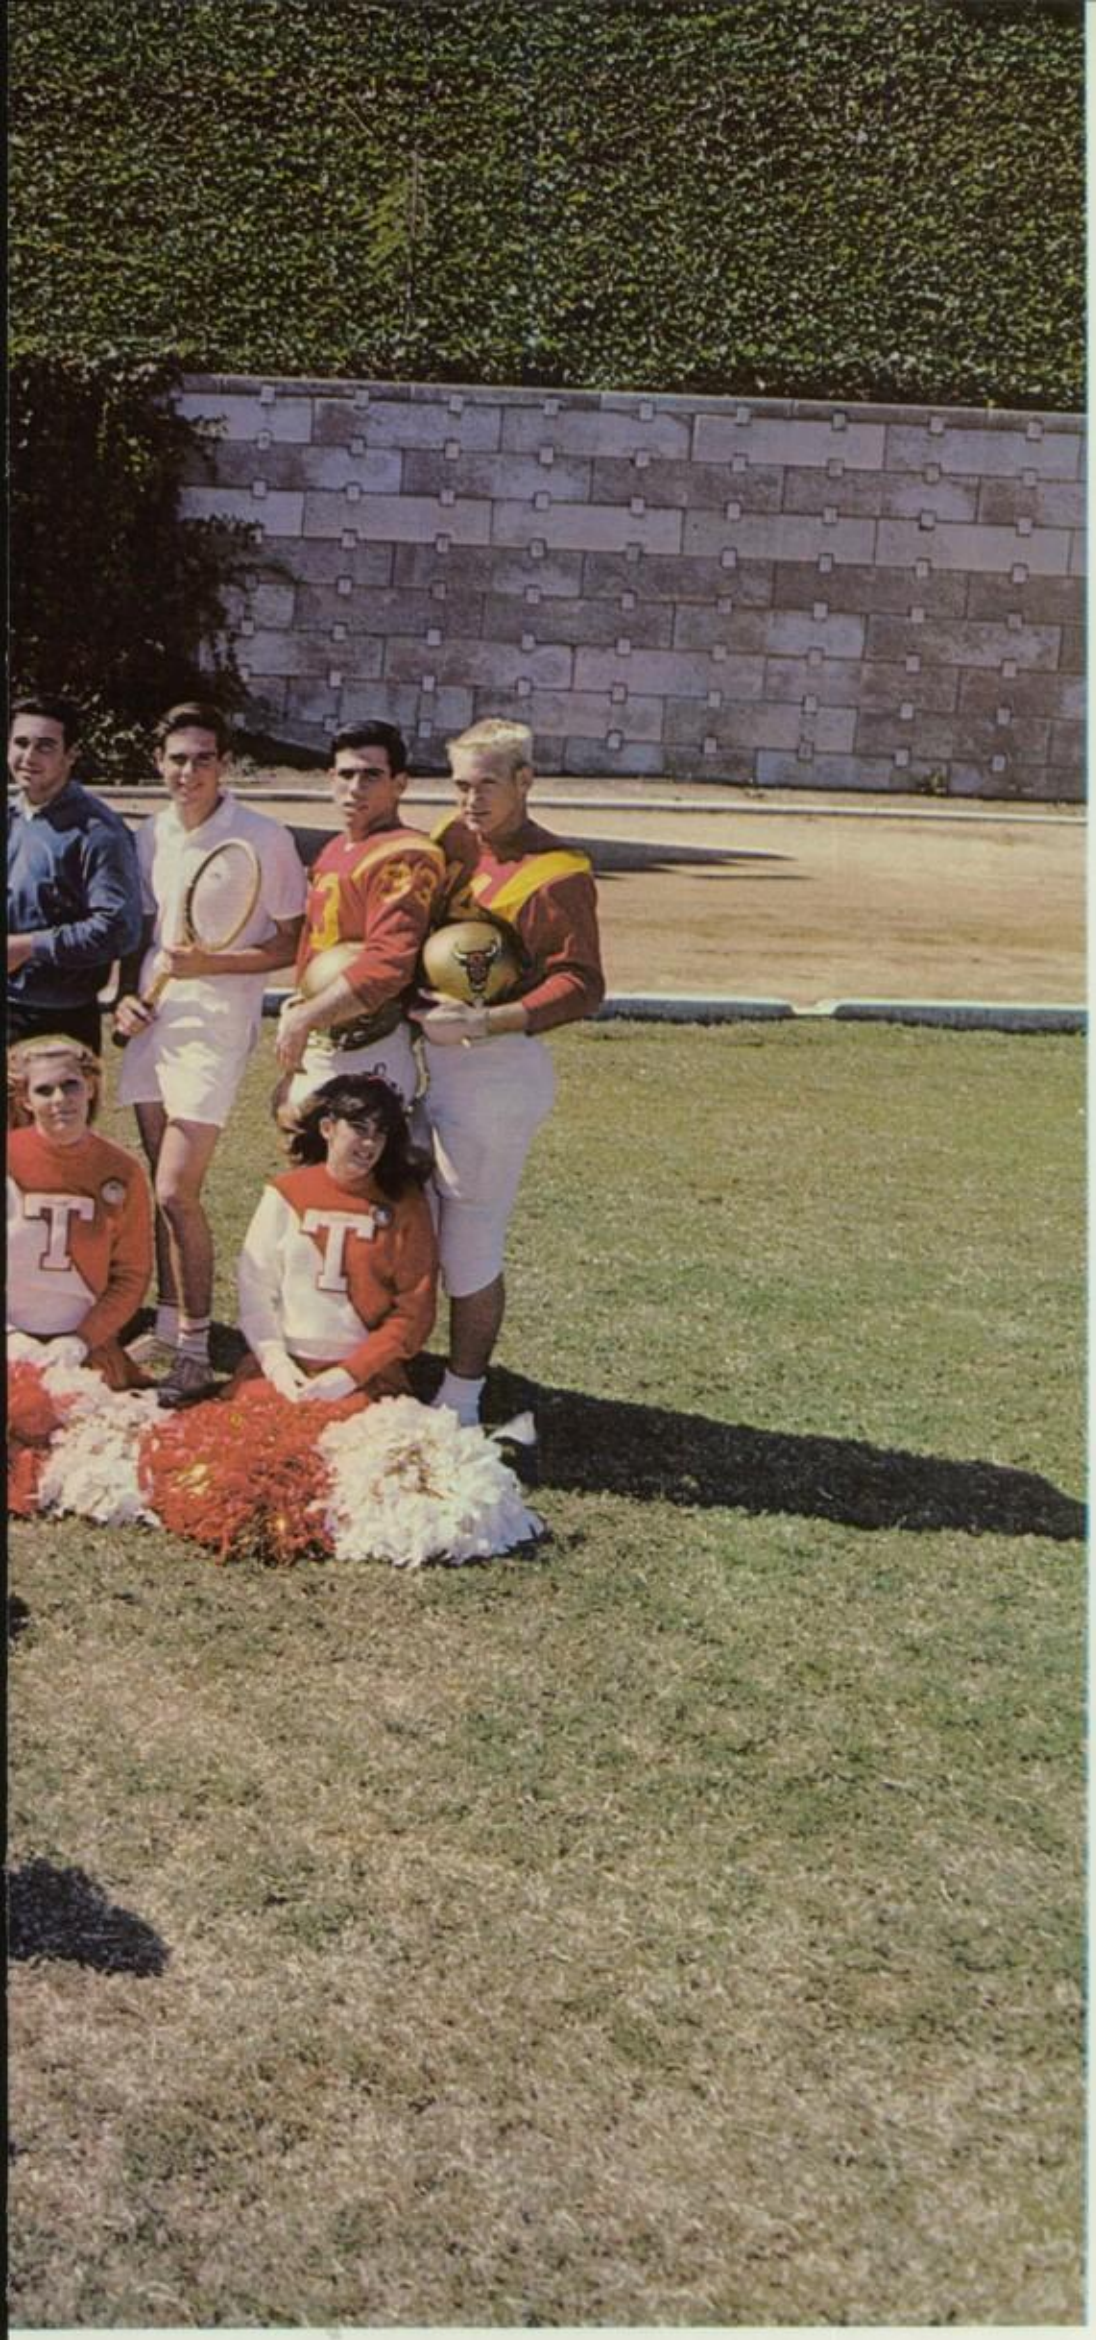


HAIL
FUZZY THINKERS!
CHESTER A. ARTHUR
V'EEK



just kids . . .
playing "follow the leader"
cheering a game
stuffing a phone booth
sharing a dance
the spirit of taft

. . . in loss or victory . . .



toreadors,

athletes,

taft's pride and glory

through our efforts came triumphs

we led the league

through homeruns

and touchdowns

high dives

and shotputs

on the courts

on the fields

in the gym

on the green

we cheered and we yelled

on a cold autumn night

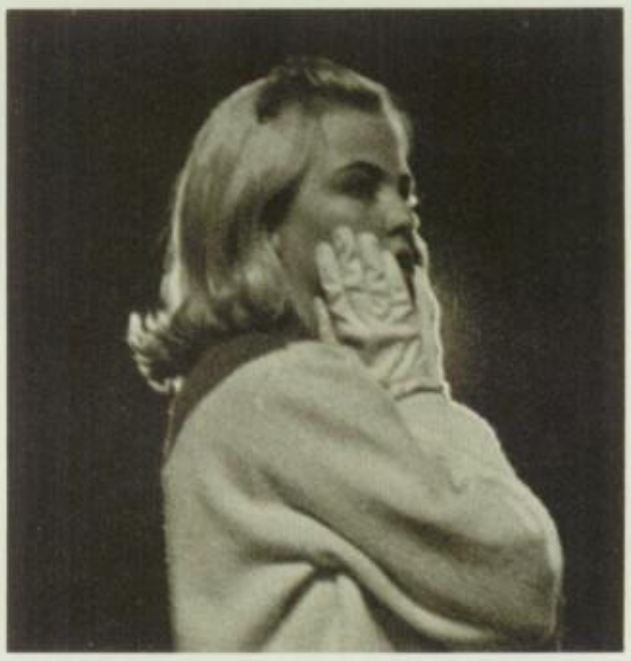
we were the spirit

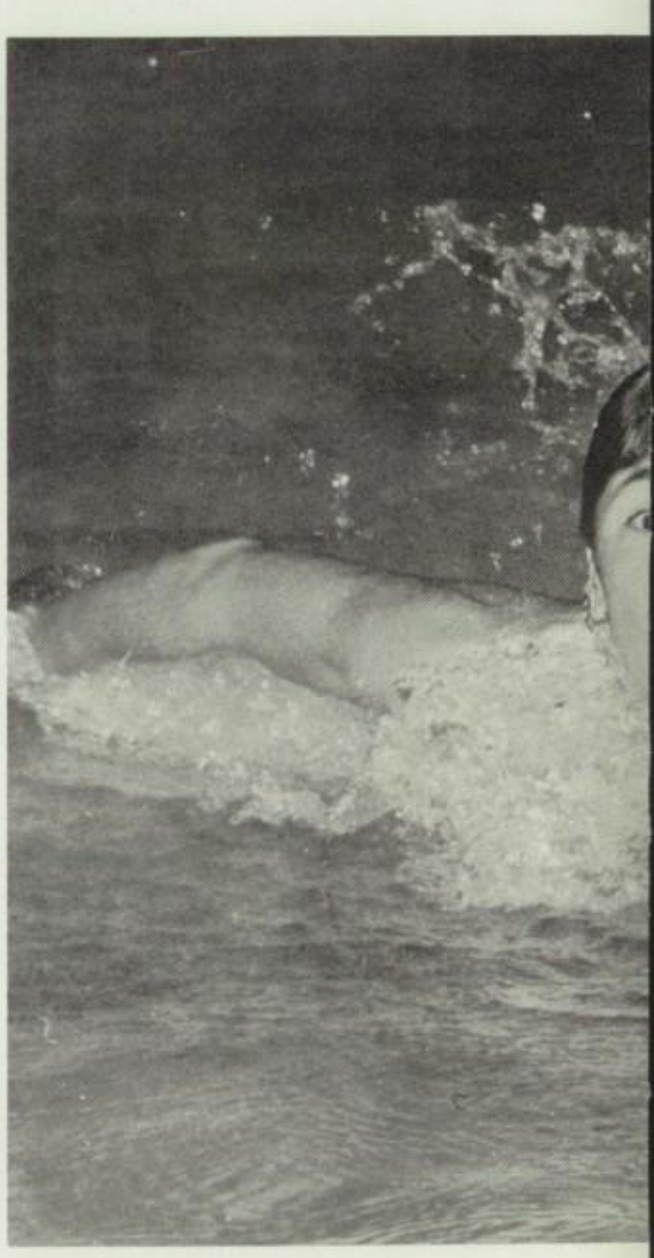
on a spring afternoon

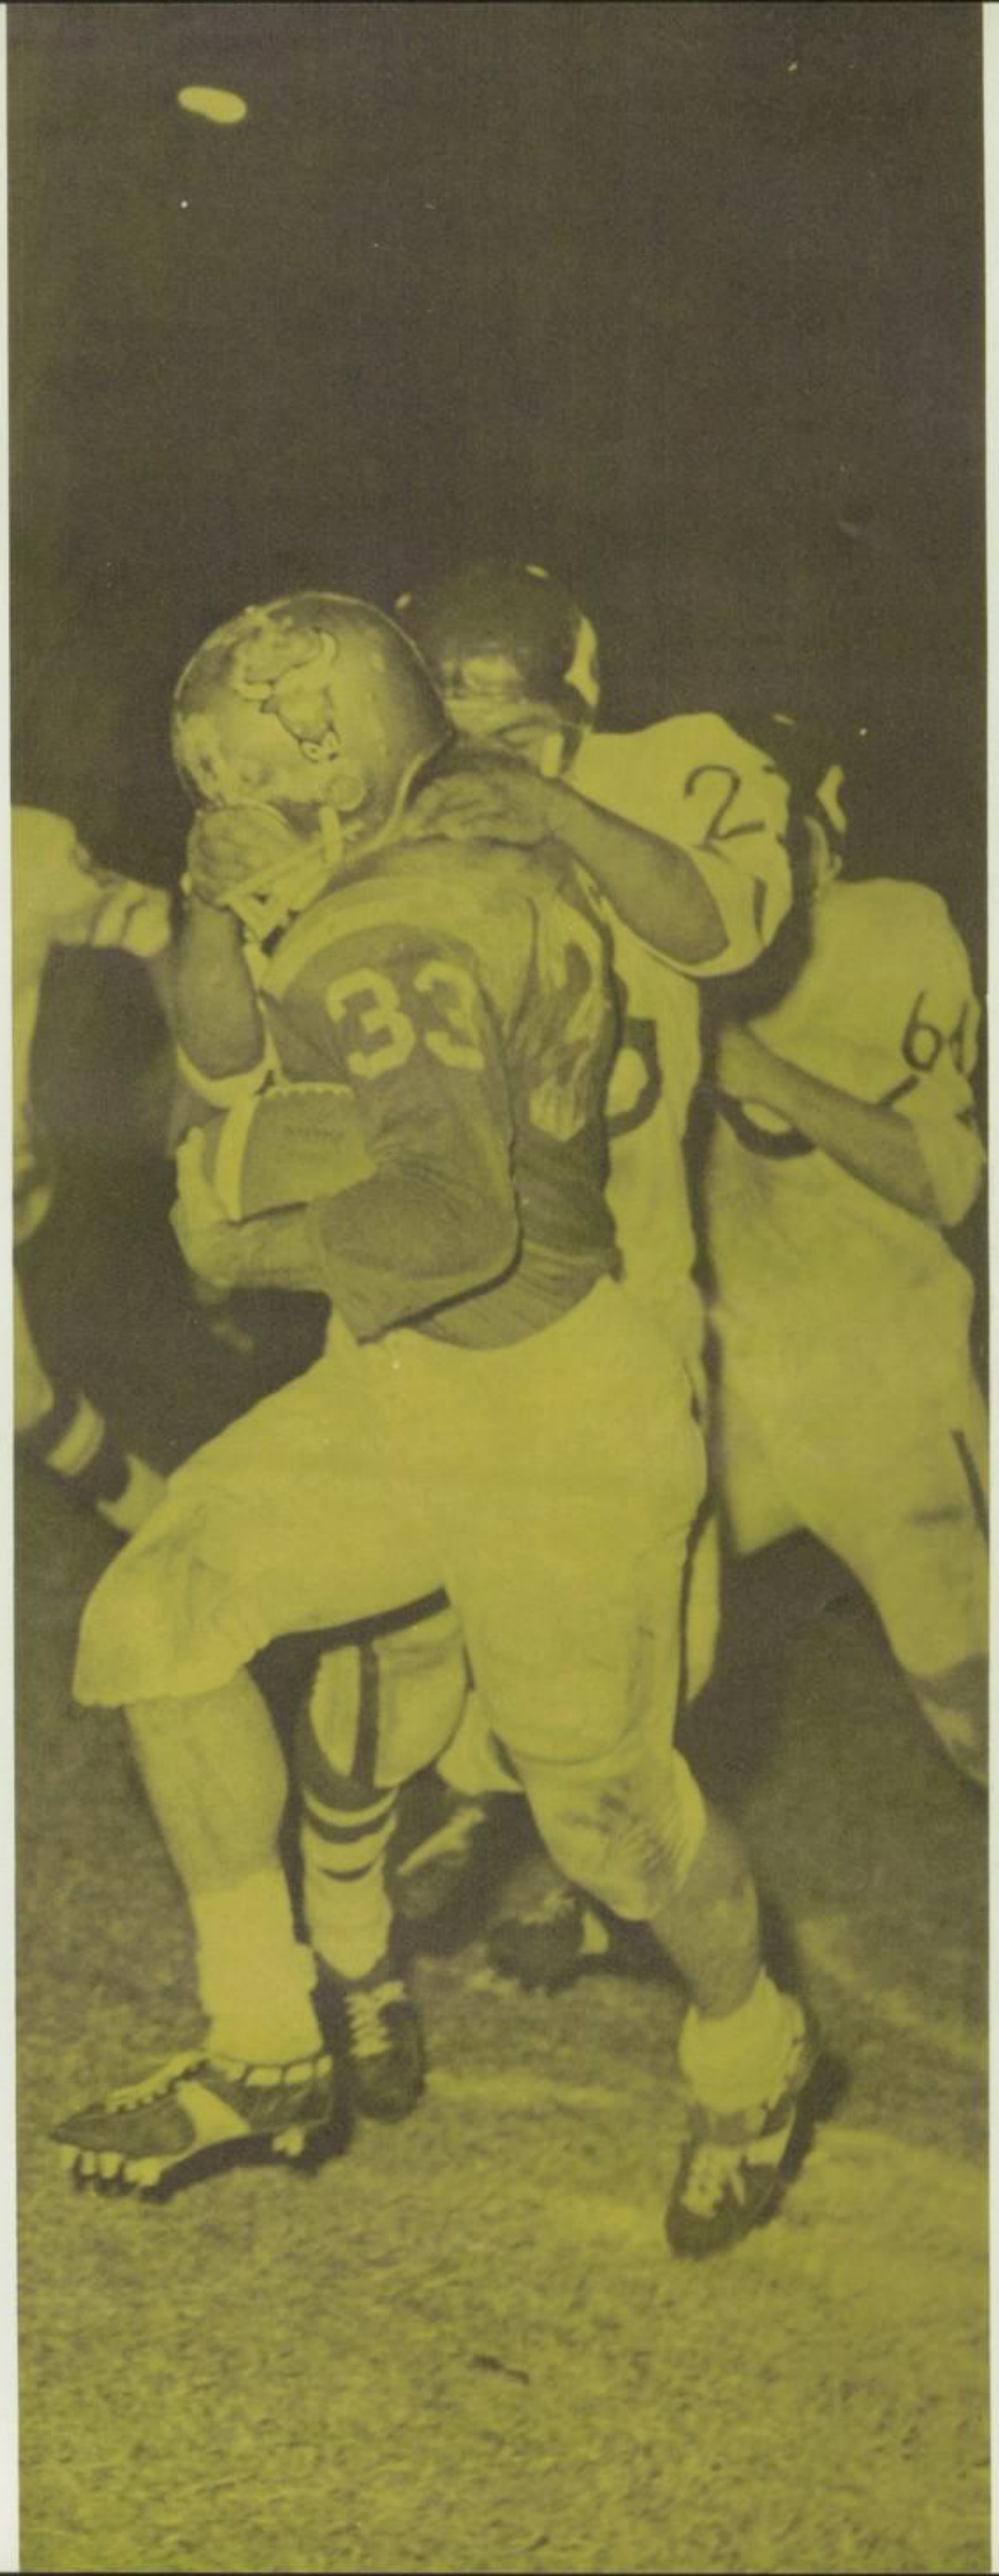
and the sun's brightness

reflected our glory . . .

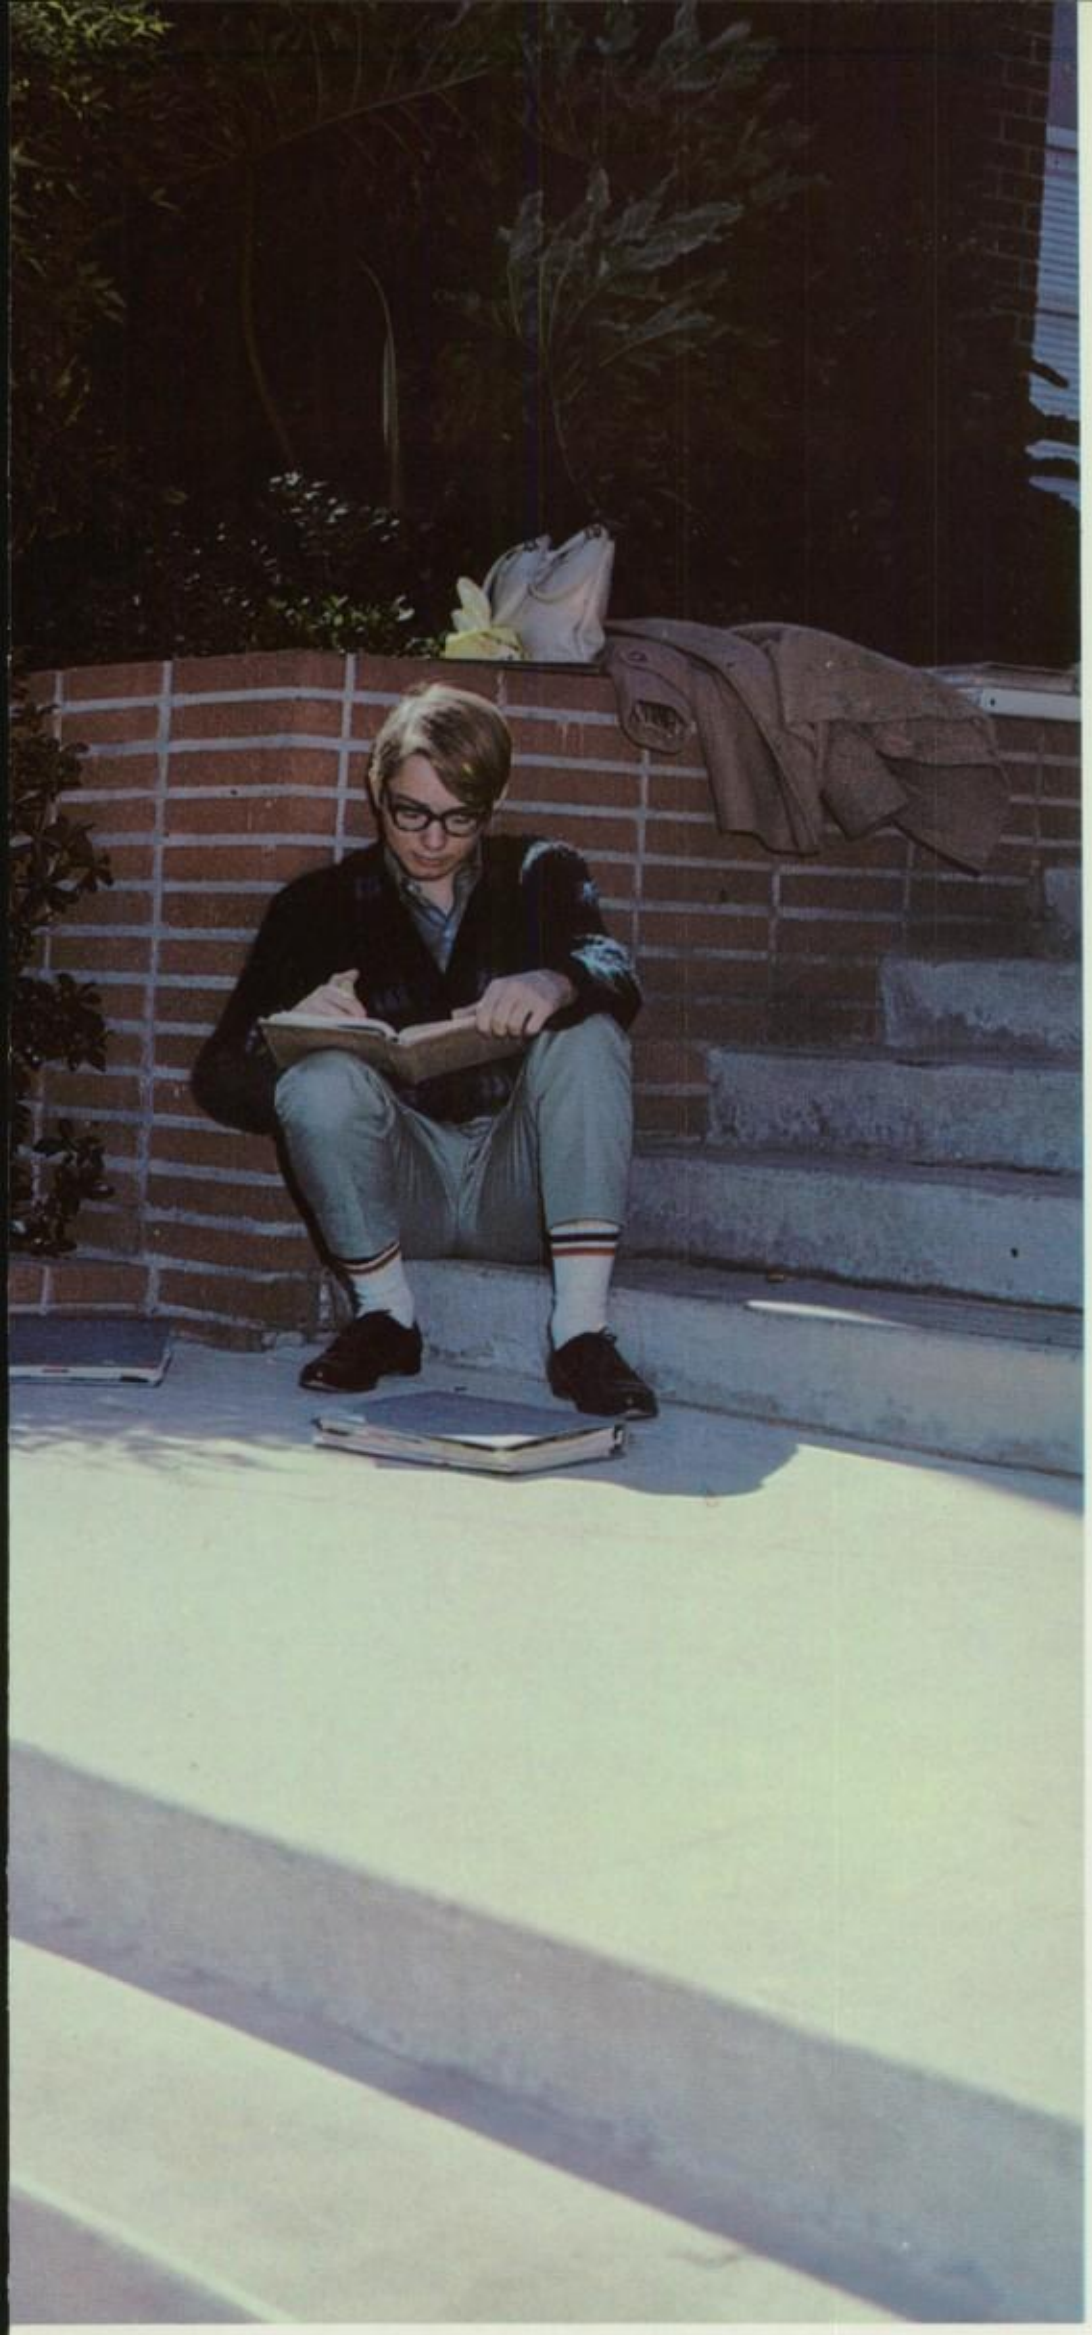
spirited, tenacious,
and talented
screaming
and fighting
exhausted
and proud . . .
the athlete of taft







. . . and still we seek



a time . . .
of learning
of listening
of watching
of growing . . .
in spirit
in body
in mind
we seek answers
to countless questions
our minds climb
and we create
we advance
through instruction
our studies
bring us closer
to our goals
we reach for the sun . . .

1966 Varsity Season

Taft—University

Taft began the 1966 football season with a resounding victory over University. Chris Albright broke Ron Lewis loose for the first of his season's 18 touchdowns. Chris Maron's crashing cross body blocks paved the way for both of Spencer Horwitz's touchdowns. Mike Critchfield put the icing on the cake by completing a touchdown pass to flanker Don Radomski.

Taft—Reseda

Taft did everything but win this championship game with Reseda. We made two mistakes in the first half and the Regents capitalized on both of them to make the halftime score 13-0 Reseda. In the second half the Toreadors fought back to tie the game 13-13 with just minutes remaining. However with several Taft starters hurt, the Regents were able to score the tie breaking touchdown with less than a minute left in the game. Taft mounted another threat but the game ended with the score 20-13. The true picture lies in the amount of yards gained by both clubs: Taft 405 net yards, Ron Lewis making 199 of them, as compared to Reseda's 264. This was the most hard fought, heart breaking game of the season.

Taft—Cleveland

Ron Lewis had another big night by scoring three touchdowns and intercepting two passes to pace the Toreadors to a 28-7 victory over Cleveland. Harry Alexander converted four straight extra points and boomed all of his kick-offs deep into Cleveland territory. The Toreador defense did the rest as they stifled all Cavalier offensive efforts.

Taft—Canoga Park

The mighty Toreadors traveled to the cow pastures of Pierce for a showdown with the Hunters of Canoga Park. Mike Critchfield completed a 33 yard pass to Don Radomski which was followed by several short runs by Lewis resulting in the first Toreador touchdown. A few minutes later Dan DeSantis completed a 25 yard touchdown pass to Spencer Horwitz for a 14-0 half time lead. In the second half, the Hunters posed a threat by scoring two touchdowns to pull within one point at 14-13. However with 9 seconds left, Taft put the game away when DeSantis plunged over from the one yard line. This was an expensive victory as All Leaguer Don Radomski joined starters Mike Marcus and Bob Peterson on the injury list.

Taft—Van Nuys

The Toreadors outfoxed the Wolves of Van Nuys 40-0 to maintain the West Valley superiority over the East Valley. The Toreadors scored the first time they had the ball when Ron Lewis plunged over Chris Albright and Tom Jordon from the two. Spencer Horwitz then took over scoring honors by reaching paydirt twice on 5 and 68 yard dives over the double team blocks of Harry Alexander and Chris Maron. Kirk Skinner tackled the Van Nuys quarterback in the end zone for a safety. Minutes later Jim Viera blocked a punt, Mark Beaumont picked it up and ran into the end zone. Horwitz scored again in the third quarter on the 29 yard pass from Dan DeSantis. The final touchdown came when Dennis Coduti scooted 13 yards with 1:43 left on the clock.

Taft—Granda Hills

Taft took over sole possession of 2nd place by crushing the over-rated Highlanders of Granada Hills. Chris Mittel scored the first touchdown on a 19 yard pass from halfback Spencer Horwitz. Ron Lewis then scored the first of his four touchdowns on a 15 yard sweep. Within six minutes of the 2nd half, Lewis scored two more times, a 38 yard pass play from Mike Critchfield and a 4 yard plunge between Steve Platt and Harry Alexander making the score 27-0. After Granda scored on a 4 yard sweep, Lewis added some insurance, by scooting 18 yards for Taft's final score. Toreador fearsome foursome, Dave Gottwald, Rich Akerman, Harry Alexander, and Tom Jordan were fantastic as they led the defense allowing the Highlanders a grand total of 47 yards rushing.

Taft—Chatsworth

Long runs and record breaking touchdowns highlighted the Taft—Chatsworth game. Bob Peterson returned from the injury list. Ron Lewis tied the touchdown scoring record early in the game by scooting between tight end Steve Koeple and flanker Chris Mittel. Spencer Horwitz ran off tackle Chris Maron's block and continued 40 yards up the middle for another of the mighty Toreador's touchdowns. Chatsworth came back in the second half and scored their two touchdowns which ignited a flame deep inside Ron Lewis as he carried the ball 6 straight times for 60 yards and Taft's final touchdown. This touchdown gave Lewis the West Valley League record for most touchdowns in a season previously held by the current pro Hal Bedsole.

Taft—Birmingham

The rivalry between Taft and Birmingham has been the toughest ever. In the first game Birmingham clobbered Taft. In the last three years Birmingham has succumbed to the Toreadors prowess. This year was the first time, however, that we smashed Birmingham. Ron Lewis established a new West Valley League touchdown record and many seniors played their last game of high school football.

Bee Football

It was a long, hard season for the Bee Football team. An oblong ball bounces in a pretty strange way, and fighting, straining Bee Gridders lost some disappointing games. Nothing makes a season more complete than beating the champions, and in their last game, the boys on the following pages earned a lot of esteem as they beat league champion Birmingham High. A great finale to the season thanks to the coaches and Bee football players honored in this section.

Taking advantage of Taft's towering cagers, whose average height was 6'3", the Toreadors copied the UCLA offense. The UCLA strategy was to pass the ball to the tallest players under the basket. With this in mind, Mark Licht, Rich Dierker, Dave Awbrey, and "Big" Bob Lynn moved Taft to second place in League play and to the city championships. Besides making a high percentage of their shots, Taft's lofty cagers controlled the rebounding game. Offensively, the cagers needed someone to handle the ball, and this specialty was adequately performed by Al Gimenez, Tod Bechtol, and Pete Levin. After Coach John Furlong worked out the difficulties, the Taft Basketball Team concluded with a very successful season.

Fall sports at Taft saw our cross-country teams run a very successful tour and sent their Junior Varsity squad into the city runoffs. Out of forty five teams in the city, Taft was able to finish with fifth place honors. Along with team honors came an individual first place prize won by tenth grader Danny Swehosky. Taking first in the city, Danny set a new city record. Coach Lythgoe has his most outstanding runner Bill Mitchell returning, and by teaming Danny and Bill, the coach can look forward to another bright season.

Rick Dierker, Pitcher

This year Coach Ray O'Connor has an excellent baseball team. By beating Granada Hills, Sylmar, Verdugo Hills, San Fernando, Reseda, and Cleveland, thus far in the season Taft is one of the few remaining undefeated teams in the city. Taft's defying pitching staff, Don Marsh, Gregg Harkness, Rick Dierker, and Larry Yount, is getting good support from a strong hitting and fielding infield and outfield. This excellent pitching, fielding, and hitting may make this team the best in TAFT'S history.

Gymnastics, perhaps the most graceful sport known, is always well represented at Taft. Coach John Furlong is once again looking forward to taking the West Valley League Championship. With last years captain Mark Nixon, Dale Kephart, Darryll Getzlaff, Bob Buchheim, this year's captain Kim Goodwin, the McGirr brothers and all around gymnasts Jeff Leach and Dave Roye, perennial foe Reseda, is going to have a tough time this year.

Varsity track had only two returning lettermen from last year's league championship team, but got a lot of support from boys up from last year's Bee team. Joining Rich Akerman and Todd Bechtol are City Champion Spencer Horwitz, Bill Warrington, Jeff Sakala and transfers Rich DeSantis and Steve Ehrlich. Fred Massey switched from the shot put to the mile and he and sophomore City Champion Danny Swehosky (Cross-Country) are adding the extra punch needed in the distance races. With these and the many other boys out for track, coaches Lythgoe and McCaffrey are expecting to take their third straight West Valley League Championship.

faculty

Dr. Edwin W. Olmstead has been principal at Taft High School since September, 1964. He began his career with the Los Angeles City School System in 1937, as a teacher at Florence Avenue Elementary School. Since that time, he has filled various positions in education. Before coming to Taft, Dr. Olmstead was principal of Madison Junior High School for eight years.

Dr. Olmstead was born in Ashfork, Arizona. He received his Bachelor's Degree from San Jose State College and his Master's and Doctor's Degrees from U.C.L.A. He is a member of Phi Delta Kappa, Kiwanis, Los Angeles Association of Secondary School Administrators and the California Association of Secondary School Administrators.

Dr. Olmstead supervises and administrates the school program and also evaluates instruction in the various departments. His most difficult task, however, is promoting a good relationship between faculty, students, and the community.

The distaff side of the Olmstead family leans toward education as well. Mrs. Olmstead is a teacher in one of the Los Angeles City Schools. Dr. Olmstead has a son serving in the Armed Forces in Germany. His daughter and her family reside in Santa Barbara.

Dr. Olmstead feels that "the high caliber of young people and faculty at Taft make his job a challenging and rewarding experience."

Administration

Mr. Curtis, Dr. Olmstead, Gary Witkosky, and Mrs. Carmichael are seated discussing the morning's P.A. announcements.

Mrs. Jeanne Carmichael, Girls' Vice-Principal, has been brightening Taft's halls with her winning smile for four years. Mrs. Carmichael majored in business administration and received her Master's Degree at San Fernando Valley State College. In addition to her regular duties this year, Mrs. Carmichael is handling Taft's accreditation.

Mr. Arthur Curtis, Boys' Vice-Principal, feels that he has "the most interesting position at Taft High School." However, he does not take this "interesting position" lightly for he knows the decisions he makes will influence the lives of many young people. Mr. Curtis has been helping Toreadors since Taft opened in 1960.

Mrs. Anne Falotico, our Assistant Girls' Vice-Principal, is responsible for the welfare, attendance and discipline of the girls. Working directly with the girls, she offers her advice and guidance, making her name well-known around the school.

The weight of coordinating the counseling program for the entire school rests on the able shoulders of Mr. James Whitehead, Head Counselor. Mr. Whitehead has aided in shaping the futures of Taft students since its opening in 1960.

Mr. Ralph Pettit's position is two-fold for he is both the school Registrar and Assistant Boys' Vice-Principal. He accomplishes the demanding task of disciplining the boys while still maintaining their respect and admiration.

Counselors—Standing: Mr. Whitehead, Mr. Coleman, Mr. Rankin, Mr. Crockett; Seated: Mrs. Imbach, Mrs. Muntean, Mrs. Sloan.

Mr. Furlong

Our college coordinator Mr. Rankin informs students of the changing requirements and procedures for college entrance.
